

Dear Senator Gillibrand,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon wireless and the cable companies. The FCC and D.O.T should not approve this deal, which destroys local union jobs, and is also bad for the customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with cable companies.

This deal will be very profitable for Verizon wireless and cable, ending any incentive to invest in Fios and compete against cable. There will be fewer jobs building, maintaining, servicing and protecting the Fios network.

Buffalo, Syracuse, Albany, other upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWT and IBEW jobs. Even regions with Fios could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely, Michael Dietsche

Dear Senator Gillibrand

Competition helps business grow and is beneficial for the consumer. It was this belief that caused the break-up of the original "Ma Bell". By allowing Verizon Wireless to form a deal with competing cable companies it would not only give Verizon a reason not to expand their Fios services to more areas (which would benefit the public) but it would also form yet another monopoly that ultimately ~~cost~~ would cost the customer. Cost the customer not in service and money.

I urge you to reject this proposed deal. It would hurt service jobs would be lost. Cost the consumer.

Dear Senator Schumer,

I AM writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon wireless and cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon through its subsidiary Verizon wireless, will form a giant unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon wireless and cable, ending any incentive to invest in Fios and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the Fios network.

Buffalo, Syracuse, Albany, other upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWA and IBM jobs. Even regions with Fios could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely

William Moran

Dear Senator Schumer,

I am writing to urge you to fight the proposed deal between Verizon's Subsidiary Verizon Wireless and the Cable Companies. The FCC and DOJ should not approve this deal, which destroys good union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the Cable Companies, including Comcast and Time Warner. Verizon, through its Subsidiary Verizon Wireless, will form a giant unregulated quasi-monopoly with the Cable Companies.

This deal will be very profitable for Verizon Wireless and Cable, ending any incentive to invest in Fios and compete against Cable. There will be fewer jobs building, maintaining, servicing and installing the Fios network.

Buffalo, Syracuse, Albany, other Upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable. Competition, Costing CiWA and IBEW jobs. Even regions with Fios could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs as well as hurt consumers. Thank you for your consideration.

Sincerely,

Clifford Johnson

DEAR SENATOR SCHUMER,

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON'S SUBSIDIARY VERIZON WIRELESS AND THE CABLE COMPANIES. THE FCC AND DOJ SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD, UNION JOBS, AND IS ALSO BAD FOR CUSTOMERS.

THIS PROPOSED DEAL ENDS A HISTORIC COMPETITION BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING COMCAST AND TIME WARNER. VERIZON, THROUGH ITS SUBSIDIARY VERIZON WIRELESS, WILL FORM A GIANT, UNREGULATED QUASI-MONOPOLY WITH THE CABLE COMPANIES.

THIS DEAL WILL BE VERY PROFITABLE FOR VERIZON WIRELESS AND CABLE, ENDING ANY INCENTIVE TO INVEST IN FIOS AND COMPETE AGAINST CABLE. THERE WILL BE FEWER JOBS BUILDING, MAINTAINING, SERVICING AND INSTALLING THE FIOS NETWORK.

BUFFALO, SYRACUSE, ALBANY, OTHER UPSTATE CITIES AND RURAL AREAS, AS WELL AS EASTERN LONG ISLAND, WILL ALL GET LEFT BEHIND WITH NO CABLE COMPETITION, COSTING CWA AND IBEW JOBS. EVEN REGIONS WITH FIOS COULD BE AFFECTED, SINCE THERE WILL BE FAR LESS INCENTIVE TO INVEST IN THE NETWORK.

Dear Senator Schumer,

I'm presently BEEN MADE AWARE of a prospective deal between cable and phone company Verizon. It seems that the competition between cable and the phone company subsidiaries are working in concert to destroy union jobs. This can only hinder our economies rebound and growth in this great state of New York.

I'm in full support of the CWA and IBEW and all other union factions to help you decide to "REJECT" this bill.

Dear Senator Schumer,

Please Oppose proposal between Verizon & Vzw & the cable companies. This destroys good union jobs.

This will create a quasi-monopoly.

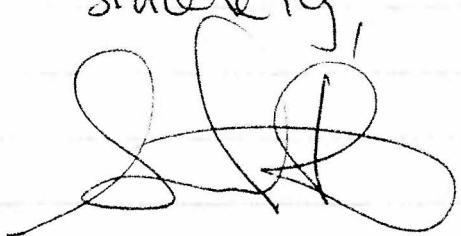

Don't let them end the FIOS construction by eliminating their incentive

Already Profitable Verizon Wireless & cable companies will leave behind our children's future w/ the FIOS. Basically leaving upstate N.Y. in the DARK AGES.

REJECT the deal!

sincerely,

Dear Senator Schumer,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the cable companies. The FCC and DOT should NOT approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in fios and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the fios network.

Buffalo, Syracuse, Albany, and other Upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with fios could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers.

Thank you for your consideration.  
Sincerely, Joseph Kresse
